Napomena Uredništva:

Učenički radovi koji se objavljuju u našem časopisu mogu sadržavati određene jezične "nesavršenosti" ili stilске "nespretnosti" u izražavanju primjerene dobi polaznika, kao i stupnju njihova poznavanja stranog jezika.

Obrazloženje:

Obzirom da prezentirani učenički radovi nisu nastali kao rezultat vodenog pisanja kojemu bi jedina svrha bila objavljivanje u časopisu, smatramo da se određene pogreške mogu i trebaju iznimno zanemariti, kako bi se u najvećoj mogućoj mjeri zadržala izvornost dječjeg izraza. Ovakva odluka proizlazi i iz načelnog stava naše škole da je upravo motivacija polaznika jedan od najvažnijih faktora kvalitetnog učenja stranih jezika. Molimo naše čitatelje da uvažavaju ovu napomenu.

Hvala
Uredništvo

Draži naši čitatelji,

pozdravljamo vas u još jednom broju vašeg i našeg časopisa 5+. Kao i uvijek, zahvaljujemo svima vama koji svojim marljivim radom i zalaganjem iz broja u broj doprinosite kvaliteti ne samo ovog časopisa, već i rada cijele naše škole.

Prvi semestar ove školske godine već je skoro iza nas, prvi su progres testovi napisani (čujem da su rezultati izvrsni - bravo svima!) i vjerujem da jedino o čemu sada razmišljate su predstojeći blagdan i novogodišnja zabava za koju ste se sigurno već polako počeli pripremati. Ako još uvijek nemate baš nikakvu ideju što obući i kako se zabaviti, svakako pročitajte sve o ovosezonskim modnim trendovima, o pozivnicama na novogodišnji tulum koje će razveseliti vaše prijatelje, a tijekom te «najbule noći» ne zaboravite se i dobro nasmiјati! Naime, naši «Nijemci» tvrde da je smijeh zdrav! Također, predstavljamo vam i naše najmlađe polaznike - prvašice iz grupe E.a iz OŠ Iospia Račića, koji nam otkrivaju što su poželjeli za ovaj Božić.

? **WRONG**

Kako i priliči svakom pravom časopisu - i mi smo u potpunosti opsjednuti medijima, najdražim TV emisijama, sapunicama i glumcima. Tako u ovom broju možete doznati sve o TV programu, ali i ono što niste znali o nekima od vaših najdražih glumaca. Također, pozivamo sve režisere da pažljivo pročitaju prijedloge scenarija učenika OŠ Gračani za snimanje sapunica, jer pretpostavljamo da će upravo oni postati predlošci za neke od budućih najgledanijih hollywoodskih 'soap opera'.

Naravno, ovdje su i nadalje naše nezaobilazne rubrike BOOK CLUB i FUN PAGES.

A na samom kraju koristim ovu priliku da svima vama u ime vaših profesorica, kao i u svoje osobno ime, zaželim ugodne božićne blagdane i poželim da nam svima 2006. godina bude ispunjena radošću, ljubavlju, dobrim prijateljima, uspjehom u školi i naravno radosnim i uspješnim učenjem stranih jezika u našoj «Lingua-i»!

MY FAVOURITE
ACTOR/ACTRESS

Garcia Bernal

I'd like to tell you something about the actor that I like. His name is Gael Garcia Bernal. He was born in Guadalajara, Jalisco, Mexico (on the 30th of November, 1978). His mother and father are Patricia Bernal and Jose Angel Garcia. He began his acting career as a child, working with his parents in a variety of plays. At the age of 14, he starred in a soap opera called "Abuelo Y Yo, El" (1992). When 17, he went to London where he studied dramatic art at the Central School of Speech and Drama. What's interesting is that he was the first Mexican who was accepted at this prestigious school. He speaks English, French, Italian and Spanish. His major feature film was "Amores Perros" (2000), followed by "Y Tu Mama Tambien" (2001). The latter made him worldwide famous. He has acted twice as the guerilla fighter Ernesto "Che" Guevara. First in the mini-series "Fidel", and later in the "Diarios de Motocicleta" (2004). So, why do I like him? Well, even though he didn't act in many films, he is very successful. I think that I don't need to mention how I very handsome and charming I find him. He seems very modest, too. He believes in "love, blood and nature", and was named one of the "People en Espanol's" 25 most Beautiful in 2002.

Jack Nicholson

Do you have any idea who the man on the photo above may be? If you don't have a clue, it's about time for you to find out. Born on the 22nd of April in 1937, he was brought up by his mother and grandmother. By the age of 17, he decided to move to California in order to become a famous film star. Soon after the arrival, he started studying act and joined a group of young actors. While performing in theatres all over California, he was spotted by Roger Corman who arranged some of his first appearances in the film industry. He starred in the films such as "The Little Shop of Horrors", "Easy Rider", "Five Easy Pieces", "The Passenger", "One Flew Over the Cuckoo's Nest", "The Shining", "Batman", "As Good As It Gets", and so much more. Jack Nicholson is the Academy Award winner, a brilliant actor and a filthy rich man. But what's going on in his personal life? Is he an elderly bachelor, or a happily married man? Well, all I know is that he's been married a couple of times, and has got a daughter Lorraine, and a son Raymond. Jack is one of my favourite actors. Even though I haven't watched all of his films, I think he is one of the most interesting film stars in the world.

Angelina Jolie

I don't think I have to say much in order for you to recognize her. However, I am going to write a few things about my favourite actress.

She is in her 30s and looks absolutely incredible. She is Angelina Jolie and she is the most beautiful woman I have ever seen. What can I say: a natural beauty and amazing talent when it comes to acting, and, of course - Brad Pitt. This woman has got it all! She has acted in tones of movies and is incredibly good at it. "Tomb Raider" and "Mr and Ms Smith" are a small part of a huge success in which she is involved. Angelina makes tones of money for her work and both directors and public just adore her. So do I! When it comes to her private life, she has really got it all. Angelina adopted two beautiful children from Africa (Maddox and Zahara). She is a UN's ambassador of good will and is doing as much as possible to help poor children all around the globe. Her two kids are the centre of her universe and she seems a perfect mother. So, why do I like her so much? Where should I begin? She is famous, stunning, successful, a great mother, and with Brad by her side. Oh, and the most important thing - she seems so "down to Earth", and doesn't care what other people say or think. She is simply a complete person.

About me

I'm Iva and I'm 13. I'm dead good at talking. So, what else do you want to know? Music and acting are brill, and I love dancing and singing when I don't have any homework. I'm not fit but I play a lot of sport. I do gymnastics and aikido but my fave sport is football. I really don't like school. I think it's naff. I like horror movies and comedies. I like watching soap operas, Gitanas and The Simpsons are my favourite. My room is always a shambles and I'm edgy before an exam. I also like taking photos. People tell me that I'm a good friend. I know how to keep a secret and I'm always here when you need help. I'm always ready to have fun.

My sister Iva is my biggest drag. She is 22 and I'm often edgy because of her. She calls me names or shouts. I'm really into dancing and Drama and I wanna become a famous dancer. My fave place is my room. It's often a shambles. I don't care about it but my mum does, so tidying it is my biggest hassle. My best friend's name is Josip. He's a cool lad. We often go to gigs together. He sometimes acts like a jerk and that's why we argue, but we always make peace very quickly. Every summer I go to Sabunike with my folks. It's my fave place because I meet a lot of cool guys.

Martina Kožić (13),

My name is Ivan. I live with my folks in Zagreb. Zagreb is a cool place to live in. I've got two hobbies: collecting stamps and playing computer games, I'm really into it. I'm so laid-back when I turn on my computer after an edgy school week. Mondays make me feel low because I have to go to school. My room is always a shambles and cleaning it on my own is too much hassle. I go out with lads at weekends. If it's raining we stay at home and watch tacky films. In free time I make films, I blew all my money on camera equipment.

My name is Anja and I'm 14 years old. I'm an only child. School really bugs me. I think music is brill. Cleaning my room and doing the housework is a drag. I'm really into Drama and English and I'm dead good at it. I'm pretty short but that doesn't matter. All my friends are cool and we always have a good time. I like watching TV but I think news are naff. I'm always edgy before I sit an exam. I'm laid-back. My friends really like me and that's all I need.

I'm dead good at Croatian and Maths and I think school is cool even though I don't like studying. I'm really into music and reading and I like spending my free time doing that. My fave place is my room where I can be alone and where I can be laid back. I like my folks, my brother and my sister very much. I'm edgy before a test because I'm not self-confident. I hate tacky things. My room is a shambles. Thank God cleaning is not my biggest drag!

Emma by Jane Austen

Emma je jedna od najpoznatijih knjiga spisateljice Jane Austen.

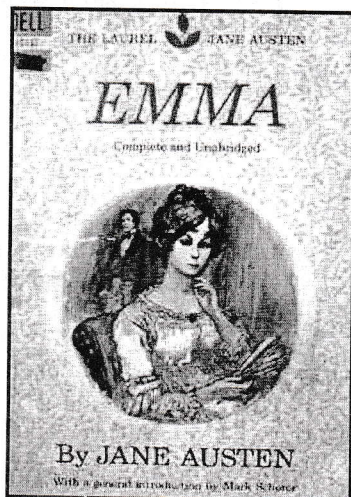

We like Emma because she is, in a way, a perfect girl. She is pretty, smart and friendly. Emma always tries to help people but very often she just thinks she is helping them. Emma is a true example of a matchmaker trying to arrange other people's lives. But when it comes to making herself happy, she doesn't think much about it. She decides to keep Mr. Knightley to herself and to finally get married.

Dear Emma,
I'm writing to you because I think you are a nice person. I would like to know one thing: would you like to be with me? If not, tell me why. I know you feel disappointed and unhappy, but I think you are better off without your so-called friend. You love Frank, but it is my opinion that he has feelings for Harriet. Last week, I was alone at home, waiting for you. When you didn't show up, I thought that you were furious with me. Emma, I have never seen such a beautiful person. I love you. If you want me to join you at the weekend, just let me know.

If I were Harriet, I wouldn't be Emma's friend. She was bossy from the beginning. Emma always knew what other people should do. Harriet was first in love with Robert Martin but Emma thought that a farmer was not a suitable match for her friend. She thought that Mr. Elton, the vicar, would have been a better husband. That was the reason why Emma tried to persuade Harriet to marry Mr. Elton. When Robert Martin wrote a letter in which he proposed Harriet, she asked Emma what to do. At that moment, Emma showed how selfish she was. «If you marry him, I could never visit you» she said. When Elton told Emma that he loved her, she felt sorry for Harriet. She thought the paintings and poems were for Harriet. I think that Emma was addicted to matchmaking- she simply couldn't help herself. At the end, when Emma got married, she realised that messing with other people's lives was not good at all.

Zašto mi se sviđa Italija...

Perché mi piace l'Italia?

L'Italia mi piace perché è un paese molto bello e interessante. È conosciuta nel mondo per l'arte, la cultura e i monumenti. Sono molto interessanti la torre di Pisa e il Colosseo. Mi piacciono Venezia, Firenze, Napoli, Milano e Roma. La cucina italiana è buonissima. Preferisco la pasta soprattutto gli spaghetti, i tortellini, i maccheroni, i tortiglioni e le farfalle, ma mi piace anche la pizza. Mio padre dice che il vino italiano è buonissimo. Mi piace la moda italiana, la sua eleganza e il suo design. Le mie marche di vestiti preferite sono: Terranova, Extyn, Wilboy e Diesel. Mi piace anche la musica italiana. I miei cantanti preferiti sono: Laura Pausini, Eros Ramazzotti e Jovanotti. L'Italia è famosa per la sua opera. Sono conosciuti Pavarotti e Domingo. Gli italiani sono famosi per la loro passione per il calcio. Mi piace molto lo stile di vita degli italiani.

Perché mi piace l'Italia?

L'italiano mi piace perché è una lingua molto interessante e non è così difficile come il tedesco. Io studio perché voglio imparare ancora una lingua insieme all'inglese. L'Italia è anche bellissima, particolarmente Venezia. Appena posso, andrò a visitare Roma, perché penso che è una città bellissima. Io adoro l'Italia e voglio imparare l'italiano.

Perché mi piace l'Italia?

L'Italia mi piace perché la gente è vivace, allegra e piena di vita. La loro cultura è molto varia, per esempio il Carnevale di Venezia, l'Arena di Verona e la sua famosa e romantica storia di Romeo e Giulietta. I più importanti centri sono Milano, Firenze, Siena, Bergamo, Como, Pisa che è famosa per la sua torre pendente, Perugia, Assisi e Roma che è la capitale d'Italia. In Italia si trova la sede della religione cattolica. In Vaticano i più importanti monumenti sono la Cappella Sistina e i Musei Vaticani. L'Italia ha anche due isole: la Sicilia e la Sardegna, ma la ragione principale per cui mi piace l'Italia è la lingua. La lingua italiana è ricca, sensuale e profonda.

Perché mi piace l'Italia?

L'Italia mi piace perché è un paese molto interessante. Ha forma di uno stivale. In Italia ci sono molte montagne, negozi e ragazzi. Studio l'italiano perché voglio imparare ancora una lingua e voglio anche andare in Italia. Ma se possibile voglio trovare un bel ragazzo italiano. L'italiano è una bella lingua. Non è difficile ma non è troppo facile. È molto interessante. Voglio vivere in Italia e lavorare come bambinaia.

Perché mi piace l'Italia?

In Italia mi piacciono molto il cibo, le città, i ragazzi e la moda. Io adoro il cibo italiano, tutte le specie di pizza, spaghetti e lasagne. Quando vado in Italia mangio qualcosa di nuovo perché noi a Zagabria non abbiamo il cibo come loro in Italia. Mi piacciono molto le città in Italia. Esse sono molto belle, moderne e ci sono molte cose da vedere. Si sa che gli italiani sono molto simpatici e i ragazzi sono molto belli, però loro non sono alti. La moda italiana è molto famosa. Mi piacciono molto i negozi, l'abbigliamento e l'eleganza che loro hanno. L'Italia è centro di moda e puoi trovare molti negozi con l'abbigliamento moderno e a buon prezzo. Puoi anche trovare i negozi con i vestiti molto cari. Mi piace l'italiano perché è molto bello, però non è facile. Loro hanno bella musica e buone serie.
